PROVEN PLAN TO CREATE SAFE NEIGHBORHOODS

Jacques Roy knows public safety is critical to a thriving community. A safe city leads to a strong economy and attracts good paying jobs. Safe neighborhoods foster a nurturing environment to raise our families. It all goes hand in hand.

Jacques Roy has a detailed plan expanding and reshaping services delivered by the Alexandria Police Department to provide them with the modern tools needed to keep our community safe. Jacques will be ready on day one to tackle the public safety issues facing our city.

SAFE NEIGHBORHOODS, BASIC SERVICES, AND SMART INVESTMENTS IN INFRASTRUCTURE ARE ESSENTIAL TO A HEALTHY COMMUNITY. THERE'S NO OPPORTUNITY TO GROW WITHOUT A STRONG FOUNDATION, BUILT IN A SAFE PLACE.

PROVEN TRACK RECORD OF EXCELLENT BASIC SERVICES, INVESTING IN INFRASTRUCTURE, MANAGING UTILITIES, & CREATING OPPORTUNITY

Jacques Roy will *RESTORE* basic services delivered by our city, provide our utilities and public works teams with the *LEADERSHIP* and *RESOURCES* needed to keep our community running efficiently, and be ready on day one to tackle the infrastructure challenges facing Alexandria.

CLOSING CASE

If we do not shore up public safety and basic services, there is no opportunity. Just follow the signs – that push us to action; that warn us of danger; that remind us; and that direct. We have showed our past and new commitments to action; we have warned and you well know the danger of the status quo; we have reminded you to *GO VOTE*; and we have shown the right direction. *PICK THE RIGHT DIRECTION AND GO VOTE*. Vote to protect your city; to give your children opportunity; and to restore our basic services to function.
